

St. Louis Catholic School RenWeb Parent Website

RenWeb is the school administration software used by St. Louis Catholic School. RenWeb manages our student information (grades, attendance, assignments, progress reports, report cards, etc...) and allows online access to student information over a secure web connection. This program also allows our teachers to keep parents up to date with real time updates, including announcements, grades, attendance and discipline.

To access parents web (1st time – to get your password):

- Click on the RenWeb link on the left side bar on the St. Louis website. www.stlouiswaco.org
- Enter the School ID code: STLO-TX
- Enter your valid email address:

Your email must already be entered into the RenWeb database by the school before you can receive your password. You should have supplied the school with the email you wish to use when registering.

If you do not have an email account, but would like to access the parent web, you can go to the library and set up a free hotmail account, and have access to your child's information online. Be sure you email St. Louis with your hotmail address before trying to log in.

- Select New Parent Login:

If your email address matches the email address in the RenWeb database, a random password will be emailed to you at that address.

If your email does not match, you will need to contact the office to straighten this out.

You can email the office at stlouis@stlouiswaco.org or call the office at 754-2041 during regular school hours.

Parent Login Instructions (after you have your password)

- Click RenWeb link on the St. Louis website www.stlouiswaco.org
- Enter the School ID: STLO-TX
- Enter your valid email address
- Enter your password
- Select Parent Login

If you receive a message saying: You are about to view pages over a secure connection. Select OK.

If you receive a message saying: This page contains secure and non secure items. Do you want to display non secure items? Select Yes.

To View Student Progress Reports:

- Select Classrooms
- Select Gradebook Summary (All classes for student will be displayed)
- Select Gradebook details to view progress report

*** If you have any questions or concerns about your child's progress report, please email your teacher or call the office to schedule a parent/teacher conference.

** The parent web is a place for school to parent communications. The school calendar, announcements, homework assignments, lesson plans, grades and daily attendance information are all available online through RenWeb.

** In an effort to decrease our printing costs, St. Louis School will not print progress reports or report cards for families that have email access. You may print the progress report or report card from your computer at anytime. Final report cards will be printed and mailed home at the end of the school year to all families.

FAQ about RenWeb

What is RenWeb?

A new web based program that brings the parent and the school together in one unified system allowing parents to access grades, homework and other school info in one convenient place.

How do I sign up?

If you are a parent/guardian of an enrolled student, you can sign up through the RenWeb link on the St. Louis website www.stlouiswaco.org Note: Your email address must be entered into the RenWeb database before signing up.

I submitted my name and email address to school, but my email address does not seem to be working, what do I do?

Email your name, phone number and email address directly to stlouis@stlouiswaco.org with a short message that your email address for login does not seem to work. The office will verify your email address and get back with you.

I received 1st time login instructions and tried to get my password. I saw the message which said, "Your new password has been emailed to you.," but I never received a password. What do I do?

The email sent to you containing your password was probably blocked by a SPAM filter or ended up in your junk mail folder. To get your password, you may call the school at 754-2041 during regular school hours, or email directly to stlouis@stlouiswaco.org with a short message that you did not receive your password.

Who else can see my family demographic information?

Only persons in your own family or employed staff members at St. Louis School.

*All other questions please email stlouis@stlouiswaco.org and we will gladly answer them. You may also call the school at 754-2041 during regular school hours.
